

Chairs 4 WORSHIP

VISTA SERIES WORSHIP

MODEL 600

The Vista series worship chairs offer the quality, comfort, flexibility and value needed by today's growing worship centers. With features usually found in more expensive chairs, the Vista series offers an exceptional value for budget-conscious churches, synagogues, and other large group meeting facilities. Chairs4Worship by Uniflex specializes in the manufacturing of quality worship seating to meet the demands of today's flexible worship environments.
